In order to continue supporting the JD parts service supplying chain we agreed with John Deere , as we did in the past, to keep supplying JD dealers with parts from our

Tonutti USA warehouse 1655 Panama Street, Memphis. TN 38108

The above listed Tonutti products were sold under OEM basis to John Deere.

The parts will be shipped directly from the original manufacturer and supplier Tonutti Wolagri Highlight, S.r.l located in Italy to our Tonutti USA warehouse in Memphis.

Tonutti USA staff will be more than pleased to help you with any questions and needs you may have.

We are suggesting you to book in advance the parts you need as we have containers coming from Italy on a regular basis therefore we can load them with the parts you require.

Please all orders must be placed via e-mail. In addition we are also asking you to send all orders forecast and enquires via e-mail to parts@tonuttiusa.com or call directly by dialing (901) 385-8841

Since our ordering platform at **Tonutti USA** does **interface directly** with the one at **Tonutti Italy** we are asking you to send us your orders via e-mail so in “real time” we can promptly expedite your requests for parts and/or we can gladly provide you with assistance to any questions you may have about our products.

For your information in Italy we have available inventory of new machines that we supplied to J.D. Those machines are ready to be shipped. If you need any machine from the former JD catalogue please let us know and we will arrange shipment from Italy to our warehouse in Memphis and deliver it to your company site.
